Dated 16th October, 1948

_Despatch Abstract.]

Industries - Industrial Panels - Panel on Paper, Pulp, Board and Chemical cotton Industries - Recommendations - Papers - Recorded.

The file relates to the recommendations of the Panel set up by the Government of India to report on the future development of Paper, Board and chemical cotton industries. while examining the final report of the Panel, this Government considered that the Government paper Mills At Rajahmundry, should be expanded in accordance with the recommendations of the Panel. The paper expert, Mr.Bhandari, of the Industries Department has submitted proposals for the expansion of the Paper Mills at Rajhmundry in four stages and they are being examined separately. in D.II section. In the circumstances no separate action seems called for on this in this section.

While examing the final report of the Panel it was held that the decision of India on the recommendations of the Panel may be awaited. In this connexion, perusal is requested to the Industrial Policy of the government of India, copy put up at (1). According to their policy, Paper industry will be subject to Central regulation and Control. For this purpose, India have proposed to set up a Central Advisory Council of Industries, who will examine the development of these industries, ~~who will examine the development of these industries~~. Advisory Council has not yet been set up. As the Central Industrial Advisory Council of Industries will examine the development of these industries in detail noseparate action seems called for in this file. It is for consideration whether the papers may be recorded.
